WORKS IN PROGRESS:

2004-14 I am currently working on a book, "**Drawing with Ashes**," based upon my journal entries, and other documentation, through the almost 10 years it took me to complete the "Fourteen Stations/Hey Yud Dalet" suite of drawings.

LATEST COMPLETED PROJECTS

2011-2013 Completed a new suite of 60 drawings, "GRAFFITE" consisting of 3 sub-suites of 20 drawings each: "MoonFields," "CloudPoems," and "PepperTree." The drawings are accompanied by 60 poems written by Jerome Rothenberg.

2006-11 Completed a new series, of Reflected Light Paintings and Oil Pastel Drawings, "**Heartland II**" formalist works based on abstracted aerial views of rivers in landscape. This body of works is a modified continuation of iconic investigations begun many years ago in my "Heartland" series.

1993-2002 "**FOURTEEN STATIONS**"/"**HEY YUD DALET**"

The "Fourteen Stations," a suite consisting of fifteen 47 1/2" by 75" drawings in charcoal framed in wrought iron, is my Kaddish for those who perished in the Nazi concentration camps. The drawings are accompanied by Gematria poems written by Jerome Rothenberg. "I believe that under no conditions can art express the Holocaust. To withdraw art from confronting this horror, however, is to assign victory to its perpetrators. Each survivor must individually affirm his or her humanity and existence. As an artist and a child of survivors, I can do no less."
